

NTHS Program Area Criteria

A student must have two letter-graded credits in one program area to be nominated for NTHS. For students who have earned industry-level certifications, a certification in the nominated program area may fulfill one-half credit per certification, up to a maximum of one credit.

Business Education		Family and Consumer Science		Information Technology Education		Technology & Engineering/ Trades & Industry	
Class	Credits	Class	Credits	Class	Credits	Class	Credits
Keyboarding	.5	Life Skills	1	Intro to Computing Essentials	.5	Intro to Power Technology	.5
